Duplicate Scripts Analysis

This file identifies potential duplicate scripts that could be consolidated.

Display Fix Scripts

Many display fix scripts exist with similar functionality:
• Multiple `fix-display-*.sh` variants
• Multiple `FIX_DISPLAY*.sh` variants
• Consider consolidating into one main script with options

Build Scripts

• Multiple build monitoring scripts
• Consider using one script with parameters

Test Scripts

• Multiple test variants
• Consider test suite approach

Note: Review before deletion - some may have specific use cases.
